

## WELCOME TO *New Sensation Spa*

Marcia who has been expertly trained and has acquired certification from the United States of America and Jamaica. With more than 10 years of experience working in the spa & wellness industry. My team and I provides the best professional spa services, body treatments and facials available on island. Our services are administered by certified professionals who offer you the ultimate in beauty, health and relaxation. We've also selected the highest quality organic products by Repechage, that **WILL NOT** be found elsewhere on the island, our treatments are given with the dedication you deserve because we know you are special and deserves the best.

We also bring our services to your location; villa, hotel, Yacht, boat or home. We also cater to large groups, and various occasions such as bridal parties, birthdays, girls time etc. Our call out services are designed for couples and or parties of three or more persons.

Check out our beach front massages on Pigeon Point Beach for much lower rates.

NB 48 hrs. advance booking is required for large parties.

Be pampered in  
comfort
