

CERTIFICATE OF HEALTH

(To be completed and signed by examining physician. Physician must not be a relative of applicant.)

To the Physician: Participants of the JET Programme undertake year-long contracts and work at schools and public offices in Japan as Assistant Language Teachers or Coordinators for International Relations. JET Programme participants work for 35 hours per week. For more details about the JET Programme, please visit the website: <http://www.jetprogramme.org>.

You are asked to evaluate the physical and mental health of the applicant for selection for the JET Programme. Participants of the JET Programme will be assigned for one year to schools or to local government offices in Japan. It is extremely important that all participants be able to adjust to dramatic changes in climate, diet, and living conditions. Living overseas can also create emotional and physical stresses in response to the demands of living in a new and different environment. In some cases, mild disorders can become serious under the stress of life in foreign surroundings. It is essential that your reply be based on a current and thorough physical examination and knowledge of the applicant's medical history.

NOTE: An answer must be provided for Question 7. The applicant's file cannot be processed without this information. Failure to answer Question 7 will result in file processing delays and may even prevent an applicant from participating.
